

## STEM Teach IV - Scholarship to Magnify Learning PBL Conference

**IMPORTANT NOTES: Do not register for this offering with STEM Teach until you have confirmed with your administrator that you are able to attend. STEM Teach will register teachers through the Magnify Learning website – do not register on your own; STEM Teach will not be able to reimburse you.**

**Teachers must be available for each session of this event. If a cancellation occurs within one week of the conference, the teacher may be responsible for the cost of the event.**

STEM Teach is offering 10 scholarships during the Summer I 2021 registration window to join Magnify Learning in a three day session running June 21 - June 23, 2021, from 8:30 am - 3:30 pm. Interact with other educators to learn the nuts and bolts of PBL through live, fully interactive virtual sessions!

Magnify Learning's Project Based Learning professional development sessions teach you how to use the PBL framework to create authentic learning experiences in the classroom. The sessions equip you with the skills to create a Project Based Learning unit customized for your students, and designed around standards and Employability Skills (21st Century Skills)...while also practicing e-learning skills! The online sessions are a great fit for K-12 educators and administrators! Teachers can register for the appropriate track based on previous PBL experience. View the PBL Jumpstart Track for those new to PBL, the Advanced Track for teachers with one year of PBL in the classroom, and the PBL Certification Track for teachers with two or more years of PBL experience. [Learn more about Magnify Learning.](#)

Upon the successful completion of the online PBL sessions, participants receive a certificate for earning 21 Professional Growth Points (7 points per day attended).
