

SCHOOL OF EDUCATION //

COMPLETE A MASTER'S DEGREE WITH ONLY 4 CLASSES!

MASTER'S IN CURRICULUM AND INSTRUCTION

STEM Teach VI is able to fund dual credit teachers who need to complete a master's degree and have completed 18 graduate credit hours in **ANY** STEM content area through STEM Teach. UIndy's School of Education is offering the following **FOUR** required classes to STEM Teach participants to complete a master's degree in Curriculum and Instruction at UIndy.

REQUIRED COURSES

- EDUC 656, STEM Engineering UDL, Fall II 2024
- EDUC 653, Integrating Tech into STEM, W/S I 2025
- EDUC 654, Design & Implement STEM PBL, Summer I 2024
- EDUC 655, STEM Methods, Summer II 2024

Courses are offered in an online environment! Tuition and textbooks are provided at no cost for dual credit teachers accepted to STEM Teach. Visit stemteachindiana.org/masters-degree to view eligibility requirements.
